NEW TRAKKER DRIVEAWAY PROGRAMME

IVECO'S signature programme – a range of competitively priced, fully-bodied vehicles ready for immediate delivery

KEY FEATURES AND BENEFITS OF TRAKKER DRIVEAWAY

The major benefit of buying a DriveAway vehicle is the peace of mind, in knowing that IVECO has chosen a selected range of partners that all offer the same high standards of product design and service as IVECO itself.

All models will be priced as a complete vehicle and carry the same IVECO two-year warranty as the base vehicle.

DriveAway vehicles are ready for immediate delivery, subject to availability at your local dealership.

Trakker DriveAway makes available fully-bodied chassis cab variants in Tipper, Tipper Grab and Hook Loader options. These body types are the top-selling variants in the 8x4 segment for heavy construction.

STOP BURNING FUEL, TIME AND PRODUCTIVITY HI-SCR FOR NON-STOP WORKING AND PERFORMANCE

When the Euro VI legislation came into force to reduce emissions from heavy-truck vehicles, the majority of manufacturers decided against using only Selective Catalytic Reduction (SCR). Instead, they implemented alternative technologies which reduced the NOx emissions required, such as adding Exhaust Gas Recirculation (EGR) resulting in forced regeneration.

Thanks to our technological leadership in SCR systems, the IVECO HI-SCR technology doesn't require forced regeneration.

Engines are designed with optimised efficiency guaranteeing non-stop performance with no driver intervention required.

LOWER TOTAL COST OF OWNERSHIP

WORKS IN ALL CONDITIONS

NO WORRY IN HAZARDOUS AREAS

EASY TO ORDER – FAST TO DELIVER

BODIES AVAILABLE IN DRIVEAWAY

TIPPER 32T

DRIVEAWAY TIPPER

- TRAKKER AD340T41 CHASSIS CAB
- 5020MM WHEELBASE

EXTERNAL BODY DIMENSIONS:

Dimension specifications depend on the specific body manufacturer and on the final configuration of the vehicle.

TIPPER GRAB 32T

DRIVEAWAY TIPPER GRAB

- TRAKKER AD340T41 CHASSIS CAB
- 5020MM WHEELBASE

EXTERNAL BODY DIMENSIONS:

Dimension specifications depend on the specific body manufacturer and on the final configuration of the vehicle.

HOOK LOADER 32T

DRIVEAWAY HOOK LOADER

- TRAKKER AD340T41 CHASSIS CAB
- 5020MM WHEELBASE

EXTERNAL BODY DIMENSIONS:

Dimension specifications depend on the specific body manufacturer and on the final configuration of the vehicle.
